Re: Church of Scientology of California v. Armstrong
Case No. C 420 153, Department 56

Dear Sir or Madam:

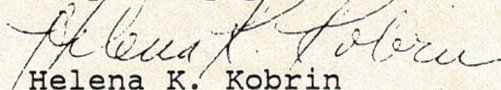

Attached is a motion to enforce settlement agreement which is being filed under seal in the above-captioned case. When this case was settled several years back, an order was entered sealing the court's file on this case. The motion to enforce the settlement agreement is therefore also being filed under seal pursuant to that order.

I spoke this afternoon with a supervisor in your department, Eliot Moska, who informed me that the correct procedure for filing this motion under seal was to place the motion, memorandum and exhibits in an envelope and attach the cover sheet of the motion and a copy of the sealing order to the outside. Therefore, I am attaching a copy of the sealing order to this cover letter, and have sealed the papers accordingly.

These papers are to go into the sealed court file, and are not to be open to public access.

If there should be any question regarding the sealing of this motion, kindly contact me at 661-4030.

Very truly yours,

Helena K. Kobrin
